

DID YOU KNOW?

In the United States, an average of 20 people experience intimate partner physical violence every minute.

26% of women and **15% of men** experienced intimate partner violence for the first time before age 18.

Domestic Violence and Homelessness

50% of all homeless women have reported domestic violence as being the immediate cause of their homelessness.

OCTOBER IS Domestic Violence Awareness Month

Hope & Safety Alliance serves all survivors in the Eugene/Springfield area, as well as the surrounding rural communities.

Anyone, regardless of gender, race, sexual identity or orientation, or socio-economic status, can become a victim of domestic violence.

Domestic violence is more than just physical. This year's awareness campaign **#thisisnotlove** highlights isolation, extreme jealousy, threats, and financial abuse.

If you or someone you know needs help, call our 24-hour crisis and support line 541-485-6513.
